Dear Judge Dien,

I wrote a paper regarding mediation with another ~~judge~~ judge, Judge Alexander. And this letter stated mediation will happen.

Although the intent to mediate changed and I understand that a ~~there is a~~ States Conference on March 7, 2007 to meet you first then discuss settlement or trial.

Please ignore the mediation part of the note and I stand on the rest of the note.

Right that my family has no legal right to go after this claim

Thank you.

Christopher Dein
